

Andrea Fruit

10th Grade English

Andrea Fruit was born in Oklahoma City and grew up primarily in Houston and Yukon, where she was very involved in competitive speech and debate, basketball, the academic team, student council, and National Honor Society.

Ms. Fruit received her Bachelor of Science degree from Oklahoma State University in secondary English education, and is currently working on her master's degree. She taught multiple grade levels for Mustang Public Schools and El Reno Public Schools and coached award-winning academic teams in both district and regional competitions prior to coming to ASTEC.

In her time at ASTEC, Ms. Fruit has taught 10th-grade English, high school world literature, executive function, and ASTEC Teacher Cadet classes. She was the 2020-2021 ASTEC High School Teacher-of-the-Year, and is currently the middle school and high school English chairperson. Ms. Fruit is the high school Academic Team coach, and she works with the OSU-Pathways Writing Project.

She has written and been awarded multiple Donors Choose grants, and collaborated with OSU to facilitate ASTEC's Teacher Cadet program.

Ms. Fruit enjoys family time, traveling, the outdoors, and of course reading and writing in her spare time.
