

Annie Buccelli

7th Grade Science

Annie Buccelli began her higher education journey at the University of Oklahoma, where she obtained a Bachelor of Science degree in biology.

Ms. Buccelli discovered she had a passion for teaching at a young age, and loves to help people of all ages to learn and succeed.

In her spare time, Ms. Buccelli takes care of her many pets and observes them in order to learn more about them. She loves to draw and create new things when she has free time.

Ms. Buccelli has lived in Edmond, Oklahoma for almost a decade.
