

# Teresa Butler

## 6th Grade Reading

Teresa Butler was born in Washington state and grew up in Oklahoma. She is a graduate of the University of Central Oklahoma (UCO).

Ms. Butler has taught in public schools and for Head Start for more than a decade.

Ms. Butler is married and has two daughters, three granddaughters, and one grandson. If you asked her what she is most proud of in her personal life, she would say her grandchildren. They are the light of her life. If you asked Ms. Butler what she is most proud of professionally, she would say the graduates she taught. She loves to hear from her past student graduates.
