

Jonathan Crofts

8th Grade Technology

Jonathan Crofts is a native of the United Kingdom (U.K.). Mr. Crofts has over a decade of middle and high school teaching experience from across the globe. He taught in the U.K, Panama, Spain, and most recently Vietnam.

Mr. Crofts completed his Bachelor's degree in International Business Management at The University of Salford, Manchester in the U.K. He has invaluable experience teaching High School Business & Economics and Middle School Technology and Computer Science.

Mr. Crofts moved to Oklahoma with his wife Lucie Crofts, who is a teacher at ASTEC Elementary School. The Crofts are both delighted to join the ASTEC family! In his spare time he enjoys traveling and experiencing new cultures. Mr. Crofts is an avid sports fan, especially watching and playing soccer.
