

Molly Baxter

Middle School Teaching Assistant

Molly Baxter was born and reared in Oklahoma City. Her first job was at a local pool teaching swim lessons to babies on the swim team.

Ms. Baxter studied nursing at Oklahoma State University-Oklahoma City (OSU-OKC) where she graduated with an Associate of Science degree from OSU-OKC. She went on to earn a Bachelor of Science degree in organizational leadership from Southern Nazarene University.

Ms. Baxter has two daughters and has a passion for children. She would like to write children's books and continue her education to teach.

Ms. Baxter has classroom experience in the special needs and has experience with children from six weeks to eighteen years old. She strives to be a good role model and help create meaningful learning experiences.
