## Office Manager

Penny Strauss was born and raised in Oklahoma City, OK. She spent 20 years in the Pacific Northwest, and while raising her daughter, she owned and operated a licensed private daycare. After returning to Oklahoma in 2009, she began her career of 13 years working for a Pediatric Clinic at SSM Health Saint Anthony. Sensing a pull in a new direction, Ms. Strauss made her way to ASTEC Charter Schools.

Ms. Strauss considers her family her greatest blessing and finds great joy in fellowship with family and friends. She finds rest and renewal through travel, camping, hiking, and just about any time in the great outdoors. Her ultimate goal in life is to be known as someone who shows compassion to others and has a positive impact wherever God plants her!
