

Sarah Morgan

Guest Teacher Coordinator

Sarah Morgan grew up in Oklahoma City and has since lived and traveled around the country extensively. In 2016 she received her Bachelor of Fine Arts degree from the University of Central Oklahoma in Edmond with a concentration in jewelry design and metalsmithing and a minor in art history.

Ms. Morgan taught visual arts to artists of all ages in public and charter schools, community centers, universities, and private classes. Before receiving her BFA, she studied fashion design and garment construction, worked as a professional makeup artist, ran successful high-end boutique businesses, traveled to China as a corporate product buyer, and managed a medical office.

Ms. Morgan is a teacher and an artist, working primarily in precious metals and natural stone jewelry; she creates one-of-a-kind pieces inspired by nature and her passion for exploration. She has worked in art galleries and arts districts in both Oklahoma and Colorado, where her work has been displayed and sold. She brings passion, curiosity, a jeweler's eye for details, and a love of learning to all of her endeavors.

In her free time Ms. Morgan enjoys cooking, practicing yoga, reading, drawing, being the fun aunt, and obsessing over her very cute dog.
